The Links Championship at Summerly is a challenging course with dynamic views and vistas located in Lake Elsinore just minutes from our Minor League Stadium off Diamond Drive, home to the Storm Baseball team, a minor league affiliate of the San Diego Padres. The Club House is designed in a rich craftsman style with local brews on tap and great views of the course from the patio. Now under new ownership, the Links has just completed a beautiful renewal of course greens including new carts and a brand new attitude.
